PRESS INFORMATION, March 2015

LIGHTS of VIENNA – The Austrian luxury label is now available for private clients!

In international luxury hotels, in the mosques of Mecca and Medina as well as in numerous exclusive residences, one name is dominant as regards lighting:
LIGHTS of VIENNA. For the first time this luxury label is now also available to private clients.

LIGHTS of VIENNA – Custom-made lighting

Over 10,000 gold-plated chandeliers for Mecca and Medina, lighting solutions in over 170 exclusive hotels in 33 countries, over 20 years' experience – catch phrases which characterise LIGHTS of VIENNA.
For almost three decades, the traditional Austrian company has offered its individual custom-made lighting concepts to the international market. Creativity, flexibility, state-of-the-art technical know-how as well as cooperation with renowned designers are the secret to the company's success. Moreover, the company places great value on the personal advice and support it gives its clients, from the initial idea to the installation of the desired luminaires.

Showroom Opening on 19th March

The showroom was opened on 19th March in a glamourous style- with illustrious guests and a fairytale programme. **Landesrätin (Regional Minister) Dr. Petra Bohuslav** congratulated the two founders of the company, **Harald Liebsch Sen.** and **Alexander Oborny**, as well as the CEO **Harald Liebsch** and managing director **Andreas Liebsch** on their internationally successful company and expressed how pleased she is at the step to increase the presence of the company in Lower Austria.
The show programme was provided by **Lidia Baich** (violin) and **Matthias Fletzberger** (piano) as well as dancers from the Association of the Vienna State Opera Ballet led by Gregor Hatala. **Miguel Herz-Kestranek** enchanted the guests with his stories**.**
The programme enthralled guests from both home and abroad.
Among them: Dr. Kari Kapsch, Dr. Martina Flitsch (Jarolim Flitsch&Partner), the glass artist, Jack Ink, Hans Taus to name but a few.

The new showroom guarantees inspiration!
Prototypes of lighting creations which until now could only be seen in 5***** (+) hotels and in luxury residences not open to the public can be admired in the new showroom in Wiener Neudorf from March.
Here is the home of inspiration. Visitors can not only rely on the experience and design of the international greats but can also have their own unique light object created by the in-house designer according to their individual wishes.
Fantasy and materials know almost no bounds – LIGHTS of VIENNA do not produce „off the shelf“ objects – every client receives a unique luminaire!

LIGHTS of VIENNA – the company
LIGHTS of VIENNA © is a global leader in the design, development and manufacture of decorative and high quality lighting. The custom-made products are manufactured in the company's facilities around Vienna, Austria and in partner companies in Italy (glass making). The LIGHTS of VIENNA © trademark guarantees quality, conveying long-standing experience paired with future-oriented design and technical know-how. This is further confirmed by the long warranty periods for products manufactured wholly in Europe.
As a result of the very intensive and project-specific work with creative designers and leading interior designers, the company has become a trendsetter in the industry.
